STATEMENT OF SUBSTANCE OF INTERVIEW

Dear Sir:

Applicant received a Notice of Abandonment mailed May 10, 2007, on the above application.

The undersigned had a previous telephone conversation with examiner Alejandro on May 8, 2007, regarding an outstanding restriction requirement. The undersigned indicated to the examiner that a response unintentionally had not been filed and that Applicant intended to file a petition to revive the application.

To that end, Applicant promptly filed on May 9, 2007, a Petition under 37 CFR 1.137(b) to revive the application.

This Statement together with the previously filed Response To Restriction Requirement are believed to provide a full reply to the last office action and the interview.

Favorable action is requested.

Respectfully submitted,

Edward J. Timmer Reg. No. 27,402
